

## Himalayas Survival Challenge

### Test your Team's Survival Skills

- Reinforce the value of teamwork for onsite, remote & hybrid teams
- Test your consensus and decision-making skills
- Gain insight into your own 'teaming' abilities
- Use all your team resources to survive the elements
- Input from both individuals and groups is needed to 'survive'
- Explore your leadership and communication skills in a safe & fun environment
- Compete to win! Enjoy some healthy cross-team competition
